

2011 INDEX CANADIAN NURSE

VOL. 107, NOS. 1-9, 2011

canadian-nurse.com

LEGEND

Ja—January

Fe—February

Mr—March

Al—April

Ma—May

Ju—June

S—September

Oc—October

N—November

ABNORMALITIES, DRUG-INDUCED

Pilot project to provincial program: Sustaining Safe Babies (Marcellus, Nelson), 28 N

ABORIGINAL PEOPLES

Give hope to women everywhere (Bard), 3 Mr
A head start on recruiting Inuit nurses, 5 Ma
Make sure you ask the question (Lem), 56 N
More money to fight TB in Nunavut, 8 Mr
Who gets your vote?, 20 Mr

ACADEMY OF CANADIAN EXECUTIVE NURSES

Canada to get its own nursing “report card”, 16 Al

ACCIDENTAL FALLS

“Bouncy” floors reduce injuries from falls, 11 Al
A collaborative approach to fall prevention (Merrett, Thomas, Stephens, Moghabghab, Gruneir), 24 Oc

ADVANCED PRACTICE NURSING

Awareness campaign promotes NPs, 20 N
Enhancing geriatric care in the emergency department (Asomaning, Van Den Broek), 12 Oc
Patient simulation or online presentation: Which is better?, 12 Mr

AFRICA

African parasite nearly eradicated, 11 Al

AFRICA, WESTERN

An inspiring first visit to West Africa, 12 Ja

AGED

Aging population not to blame for rising health-care costs, 6 Oc
Better mattresses mean better care, 6 Oc
“Bouncy” floors reduce injuries from falls, 11 Al

A collaborative approach to fall prevention (Merrett, Thomas, Stephens, Moghabghab, Gruneir), 24 Oc
Enhancing geriatric care in the emergency department (Asomaning, Van Den Broek), 12 Oc
The faces of polypharmacy (Arthur), 18 Oc
Giving the best day possible (Schulz), 44 Oc
Good business practices, 42 N
Lifelong engagement; editorial (Brazeau), 2 Oc
New ideas for an age-old problem (Villeneuve), 15 Oc
The old and the beautiful (Shamian), 3 Oc
Tackling wait times: Followup report, 19 Al
Taking the weight: Standardizing weight measurement and documentation in continuing care (Niezgoda, Trainor, Chambers, Keller, Caissie), 20 Oc
Teaming up: Responding to seniors in crisis using a multidisciplinary mental health crisis team (Hurst), 16 Oc
Webinar tackles tough elder-abuse issues, 15 Ja
Who gets your vote?, 20 Mr

AGE FACTORS

Chronic pain costs the economy, 9 Ma
Less blue light, less sleep, 7 N

ALCOHOL DRINKING

Social tippie may benefit your brain, 6 Oc

ALSAFFAR, ANN

EMR: A brave new world?, 40 Ma

ALZHEIMER'S DISEASE

Calculations: January is Alzheimer Awareness Month, 10 Ja

Social tippie may benefit your brain, 6 Oc

AMERICAN NURSES ASSOCIATION

U.S. and Canada share ideas, solutions, 14 Oc

ANGELS OF FLIGHT

An entrepreneurial spirit soars (McDonald), 30 Ja

ANIMAL-ASSISTED THERAPY

Good business practices—Lisa Markin: Partnership unleashed, 43 N

ANTINEOPLASTIC AGENTS

RNs exposed to cancer drugs: More questions than answers, 12 Mr

ANXIETY

Probiotic bacteria may help ease depression and anxiety, 7 N

ARTHUR, ANNE BARBARA

The faces of polypharmacy, 18 Oc

ASOMANING, NANA

Enhancing geriatric care in the emergency department (Van Den Broek), 12 Oc

ASSOCIATION OF REGISTERED NURSES OF NEWFOUNDLAND AND LABRADOR

Health systems research: Good in theory, good in practice (Shamian), 2 Ja

ASSOCIATION PROFESSIONNELLE DES INFIRMIERS/ÈRES DU BURKINA

Raising the voice of nurses in Burkina Faso, 19 N

AUSTRALIA

Canada a leader in cancer survival rates, 7 Fe

AWARDS AND PRIZES

Certification comes of age, 32 S
New members of the Order of Canada, 8 S
Toronto facility takes top certification prize, 13 Ju

BABY-FRIENDLY HOSPITAL INITIATIVE

Is Baby-Friendly certification nurse friendly? (Hill), 11 N

BALNEAVES, LYNDA G.

Students and international nursing shock (Jenkins, Lust), 26 S

BARD, RACHEL

Collaborative power, 3 Ma

Electing for change, 3 Ja

Extending our reach, 3 Fe

Give hope to women everywhere, 3 Mr

Health: We stand on guard for thee, 3 Ju

Let's not lose Insite, 3 Al

Nurse practitioners: It's about time!, 16 N

Nurses: Movers and shapers, 14 Oc

Nurses speak up, 16 S

BEDS

Better mattresses mean better care, 6 Oc

BEREAVEMENT

Creating a lasting impression of a short life (Gessell), 24 Ja

Good business practices—Kath Murray:

Matters of life and death, 44 N

BIOMEDICAL TECHNOLOGY

Smart shirt: A wireless approach to patient monitoring, 6 N

BLOOD DONORS

Calculations: June 14 is World Blood Donor Day, 10 Ju

BODY WEIGHTS AND MEASURES

Taking the weight: Standardizing weight measurement and documentation in continuing care (Niezgoda, Trainor, Chambers, Keller, Caissie), 20 Oc

BOTTORFF, JOAN L.

Does nursing research have a future? (DiCenso, Doran, Estabrooks, Johnson, Johnston, Laschinger, McGillis Hall, Molzahn, Morse, Nelson, O'Brien-Pallas, O'Connor, Pringle, Ratner, Rukholm, Stewart, Thorne), 14 Al

BRAZEAU, LISA

Counting on the care of nurses (editorial), 2 N
Lifelong engagement (editorial), 2 Oc

New season, new look (editorial), 2 S

BREASTFEEDING

Is Baby-Friendly certification nurse friendly? (Hill), 11 N

BREAST NEOPLASMS

Early, regular mammograms save lives, 9 S

BRITISH COLUMBIA

Does online dating increase STIs?, 9 S

Let's not lose Insite (Bard), 3 Al

Nurses praise Insite ruling, 16 N

Pilot project to provincial program: Sustaining Safe Babies (Marcellus, Nelson), 28 N

BROWN, CAROLYN

Mastering all you survey:

Part 1, 25 Ma

Part 2, 22 Ju

BRUNET, PAUL G.

A mission to defend, protect and act, 36 Fe

BULLYING

Targeted: The impact of bullying, and what needs to be done to eliminate it (Eggertson), 16 Ju

BURKINA FASO

An inspiring first visit to West Africa, 12 Ja

Raising the voice of nurses in Burkina Faso, 19 N

CAISSIE, DANIELLE

Taking the weight: Standardizing weight measurement and documentation in continuing care (Niezgoda, Trainor, Chambers, Keller), 20 Oc

CANADA

Canada a leader in cancer survival rates, 7 Fe

Canada trailing in coverage of leading-edge drugs, 6 Ja

CANADIAN ASSOCIATION OF PERINATAL AND WOMEN'S HEALTH NURSES

The voyage has begun (Villeneuve), 18 N

CANADIAN ASSOCIATION OF SCHOOLS OF NURSING

Entry-to-practice programs at 10-year high, 11 Fe

CANADIAN COLLABORATION FOR IMMIGRANT AND REFUGEE HEALTH

Groundbreaking guidelines for treatment of new Canadians, 6 Oc

CANADIAN FEDERATION OF NURSES UNIONS

Nursing leadership workshops in southern Africa, 14 Ma

Nursing workforce focus of ICN forum, 18 N

Your government watchdog, 13 Ja

CANADIAN INSTITUTE FOR HEALTH INFORMATION

Behind the latest workforce numbers, 6 Fe

NP data now featured in workforce profiles, 15 Mr

Tracking multiple sclerosis patients, 9 Ma

CANADIAN MEDICAL ASSOCIATION

Collaborative power (Bard), 3 Ma

Principled decisions (Shamian), 3 S

CANADIAN NETWORK OF MS CLINICS

Tracking multiple sclerosis patients, 9 Ma

CANADIAN NURSE

New season, new look; editorial (Brazeau), 2 S

CANADIAN NURSE PRACTITIONER EXAMINATION

New family/all ages exam for NPs, 15 Ju

CANADIAN NURSES ASSOCIATION

associate, affiliate and emerging groups

Engaged RNs need a better name (McNamee), 20 N

The voyage has begun (Villeneuve), 18 N

awards and prizes

Certification comes of age, 32 S

New members of the Order of Canada, 8 S

Toronto facility takes top certification prize, 13 Ju

Canadian Registered Nurse Examination

Canadian Registered Nurse Examination: 2010 highlights, 16 S

Double the practice for the CRNE, 18 Al

certification

Behind the scenes (West, Chobanuk, Hubbard Murdoch, Rogez, Savage), 36 S

Certification comes of age, 32 S

More than 16,800 certified nurses, 19 S

Toronto facility takes top certification prize, 13 Ju

What we said back then: Frankly speaking:

Specialization in nursing (Pask), 32 S

chief executive officer

Collaborative power (Bard), 3 Ma

Electing for change (Bard), 3 Ja

Extending our reach (Bard), 3 Fe

Give hope to women everywhere (Bard), 3 Mr

Health: We stand on guard for thee (Bard), 3 Ju

Let's not lose Insite (Bard), 3 Al

Nurse practitioners: It's about time! (Bard), 16 N

Nurses: Movers and shapers (Bard), 14 Oc

Nurses speak up (Bard), 16 S

congresses

Annual meetings and conferences, January–June 2012, 22 N

Canada to get its own nursing “report card”, 16 Al

Following the leaders, 14 Mr

ICN abuzz with lack of nursing presence at WHO, 13 Ju

International Health Research and Policy

Roundtable, 17 N

Lively annual meeting highlights successes, engages nurses, 17 S

Nurses: Movers and shapers (Bard), 14 Oc

Nurses speak up (Bard), 16 S

Nursing workforce focus of ICN forum, 18 N

U.S. and Canada share ideas, solutions, 14 Oc

Cross-Country Tour

Coming soon to a town near you!, 18 Mr

Going cross country, 17 N

On tour: Engagement in action, 15 Ma

deaths, Wilcox, Shelley, 5 Ma

government relations

Applauding Manitoba; speaking out for

medicare and an end to violence, 10 Fe

Awareness campaign promotes NPs, 20 N

Electing for change (Bard), 3 Ja

Election tools at your fingertips, 18 Al

Extending our reach (Bard), 3 Fe

Health: We stand on guard for thee (Bard), 3 Ju

Just say yes! (Shamian), 2 Mr

Nursing's voice rings true (Shamian), 2 Ju

Of our own accord (Shamian), 3 N

On a mission to listen, 14 S

Prepared for the budget and the election, 13 Ma

'Prioritize health over illness,' MPs and

senators told, 21 N

Your government watchdog, 13 Ja

international cooperation

Give hope to women everywhere (Bard), 3 Mr

An inspiring first visit to West Africa, 12 Ja

Internship leads to “global” perspective, 14 Ju

Nursing leadership workshops in southern Africa, 14 Ma

A one-stop source for our international partners, 18 Mr

Raising the voice of nurses in Burkina Faso, 19 N

Workshop in Nicaragua tackles workplace violence, 18 S

interprofessional relations

Collaborative power (Bard), 3 Ma

International Health Research and Policy Roundtable, 17 N

It's official—CNA partners with CPSI, 11 Fe

Principled decisions (Shamian), 3 S

U.S. and Canada share ideas, solutions, 14 Oc

National Expert Commission

New ideas for an age-old problem (Villeneuve), 15 Oc

On a mission to listen, 14 S

Our voyage of “discovery” (Villeneuve), 18 S

The voyage has begun (Villeneuve), 18 N

National Nursing Week, National Nursing

Week: In classrooms, ballrooms and courtrooms, 12 Ju

NurseONE, Supporting your practice:

CNA's new tools and resources, 15 Ja

position statement

Prepared for the budget and the election, 13 Ma

Supporting your practice: CNA's new tools and resources, 15 Ja

president

Builders and stewards of better health and understanding (Shamian), 2 Ma

Call for nominations for president-elect, 14 Ma

Health systems research: Good in theory, good

in practice (Shamian), 2 Ja

Just say yes! (Shamian), 2 Mr

Leadership must come back in style

(Shamian), 2 Fe

Nursing's voice rings true (Shamian), 2 Ju

Of our own accord (Shamian), 3 N

The old and the beautiful (Shamian), 3 Oc

Principled decisions (Shamian), 3 S

Would you encourage your child to become a

nurse? (Shamian), 2 Al

publications

Election tools at your fingertips, 18 Al

NP data now featured in workforce profiles,

15 Mr

A one-stop source for our international

partners, 18 Mr

Prepared for the budget and the election,

13 Ma

Supporting your practice: CNA's new tools and

resources, 15 Ja, 15 Ju, 15 Ma, 18 Mr, 19 Al,

20 S, 22 N

resolutions, Members encouraged to submit

resolutions, 14 Ja

workshops

Globalization workshop's next stop is CARNA,

13 Fe

Nursing leadership workshops in southern

Africa, 14 Ma

Workshop in Nicaragua tackles workplace

violence, 18 S

CANADIAN NURSES FOUNDATION

National Nursing Week: In classrooms, ballrooms and courtrooms, 12 Ju

CANADIAN PAEDIATRIC SOCIETY

Earlier discharges recommended for late preterm babies, 7 Fe

CANADIAN PAIN SOCIETY

Chronic pain costs the economy, 9 Ma

CANADIAN PATIENT SAFETY INSTITUTE

It's official—CNA partners with CPSI, 11 Fe
MedRec: It's up to everyone, 6 N

CANADIAN PHARMACISTS ASSOCIATION

Collaborative power (Bard), 3 Ma

CANADIAN PUBLIC HEALTH ASSOCIATION

Health literacy: More than just the three Rs (Eggertson), 18 Ja
A national vaccination registry?, 7 Fe

CANADIAN REGISTERED NURSE

EXAMINATION

Canadian Registered Nurse Examination: 2010 highlights, 16 S
Double the practice for the CRNE, 18 Al

CAPNOGRAPHY

Beside capnography: Better management of surgical patients with obstructive sleep apnea (Kjorven, Dunton, Milo, Gerein), 24 N

CARDIOVASCULAR DISEASES

Calculations: February is Heart Month, 8 Fe
The changing face of heart disease, 34 Oc
More dying of cancer than cardiovascular disease, 9 Ja

CAREER CHOICE

Act II: A new career direction (McDonald), 22 Al
Returning to her first love (McDonald), 26 Al

CENTRE FOR ADDICTION AND MENTAL HEALTH

Mental health research on the move, 9 Ma
Toronto facility takes top certification prize, 13 Ju

CHAMBERS, LARRY W.

Taking the weight: Standardizing weight measurement and documentation in continuing care (Niezgoda, Trainor, Keller, Chaisie), 20 Oc

CHILD

Calculations: November 20, Universal Children's Day, 8 N
Creating a lasting impression of a short life (Gessell), 24 Ja
Feds announce funding for MNCH program, 6 Ja
Give hope to women everywhere (Bard), 3 Mr
Pilot project to provincial program: Sustaining Safe Babies (Marcellus, Nelson), 28 N
Taking the pain out of pediatric procedures, 7 Ju

CHILD WELFARE

Pilot project to provincial program: Sustaining Safe Babies (Marcellus, Nelson), 28 N

CHOBANUK, JANICE

Behind the scenes (West, Hubbard Murdoch, Rogez, Savage), 36 S

CHRONIC DISEASE

New ideas for an age-old problem (Villeneuve), 15 Oc

CHRONIC PAIN

Chronic pain costs the economy, 9 Ma

CIRCUMCISION, MALE

Informed consent for circumcision, 9 Ju

COGNITION

Word play makes you smarter, 6 Oc

COLLEGE AND ASSOCIATION OF REGISTERED NURSES OF ALBERTA

Globalization workshop's next stop is CARNA, 13 Fe

COMMUNICATION

Journal clubs: A forum for discussion and professional development (Silversides), 18 Fe
Make sure you ask the question (Lem), 56 N
Study examines the culture of silence, 6 Ma
Things to consider when setting up your own club (Silversides), 22 Fe
Undergrads benefit from pilot project (Silversides), 20 Fe

COMMUNITY HEALTH SERVICES

Mental health research on the move, 9 Ma
On the street and on the web: A site for nurses working with homeless people, 11 Ma
'Prioritize health over illness,' MPs and senators told, 21 N

COMPLEMENTARY THERAPIES

When loss leads in new directions (Silversides), 34 Ju

CONFERENCE BOARD OF CANADA

Private labs: A cautionary tale (Sutherland), 40 Ju

CONFLICT OF INTEREST

Large-scale studies hide potential conflicts of interest, 9 Ma

CONGRESSES

2011 annual meetings and conferences, 16 Mr
Annual meetings and conferences, January–June 2012, 22 N
Another first for Ontario's NPs, 7 Ju
Canada to get its own nursing "report card", 16 Al
Following the leaders, 14 Mr
ICN abuzz with lack of nursing presence at WHO, 13 Ju
International Health Research and Policy Roundtable, 17 N
Lively annual meeting highlights successes, engages nurses, 17 S
Nurses: Movers and shapers (Bard), 14 Oc
Nurses speak up (Bard), 16 S
Nursing workforce focus of ICN forum, 18 N
U.S. and Canada share ideas, solutions, 14 Oc

CONSUMER HEALTH INFORMATION

Health emergency put RN out of her depth (Eggertson), 23 Ja
Health literacy: More than just the three Rs (Eggertson), 18 Ja
A language barrier to health (Eggertson), 22 Ja
Navigating the system with a blindfold on (Eggertson), 20 Ja

COPPER

Invest in copper!, 9 S

COSTS AND COST ANALYSIS

Aging population not to blame for rising health-care costs, 6 Oc
Better mattresses mean better care, 6 Oc
Chronic pain costs the economy, 9 Ma
Kidney transplants save money, 8 Mr
Private labs: A cautionary tale (Sutherland), 40 Ju

CROSS INFECTION

ICU study points to the benefits of single rooms, 6 Mr
Invest in copper!, 9 S

CULTURAL COMPETENCY

Students and international nursing shock (Jenkins, Balneaves, Lust), 26 S

CUMMINGS, KATHERINE E.

Back to basics: Building math competency in nursing students, 22 S

CURRICULUM

Back to basics: Building math competency in nursing students (Cummings), 22 S
Students and international nursing shock (Jenkins, Balneaves, Lust), 26 S

DATA COLLECTION

Mastering all you survey:
Part 1 (Brown), 25 Ma
Part 2 (Brown), 22 Ju

DELIRIUM

Teaming up: Responding to seniors in crisis using a multidisciplinary mental health crisis team (Hurst), 16 Oc

DELIVERY OF HEALTH CARE

Electing for change (Bard), 3 Ja
Extending our reach (Bard), 3 Fe
Funding delivery, finding value, 12 N
Getting to know you (Grey), 36 Al
Health systems research: Good in theory, good in practice (Shamian), 2 Ja
A mission to defend, protect and act (Brunet), 36 Fe
Of our own accord (Shamian), 3 N
Principled decisions (Shamian), 3 S
Private labs: A cautionary tale (Sutherland), 40 Ju
Quebecers are least satisfied with health-care system, 7 Fe
Sharing the lessons of activism (Robinson), 44 Mr
The voyage has begun (Villeneuve), 18 N
Who gets your vote?, 20 Mr
Working together on nursing care delivery models, 13 Fe

DEMENTIA

Giving the best day possible (Schulz), 44 Oc
Social tittle may benefit your brain, 6 Oc
Teaming up: Responding to seniors in crisis using a multidisciplinary mental health crisis team (Hurst), 16 Oc

DENMARK

Canada a leader in cancer survival rates, 7 Fe

DENT, DOROTHY M.

From the pages of *The Canadian Nurse*: Battles with bicycles, 40 N

DEPRESSION

Calculations: Oct. 2–8 is Mental Illness Awareness Week, 10 S
Is it grief or a mental disorder?, 9 Ju
Making maternal mental health a priority, 9 Ja
Probiotic bacteria may help ease depression and anxiety, 7 N
Teaming up: Responding to seniors in crisis using a multidisciplinary mental health crisis team (Hurst), 16 Oc

DEPRESSION, POSTPARTUM

Making maternal mental health a priority, 9 Ja

DEVELOPING COUNTRIES

Calculations: April 22 is Earth Day, 12 Al
Feds announce funding for MNCH program, 6 Ja
Give hope to women everywhere (Bard), 3 Mr
HIFA2015: Working to prevent needless deaths, 6 Al
An inspiring first visit to West Africa, 12 Ja
Students and international nursing shock (Jenkins, Balneaves, Lust), 26 S

DIAGNOSTIC TECHNIQUES AND PROCEDURES

Smelling cancer on your breath, 9 Ju

DICENSO, ALBA

Does nursing research have a future? (Bottorff, Doran, Estabrooks, Johnson, Johnston, Laschinger, McGillis Hall, Molzahn, Morse, Nelson, O'Brien-Pallas, O'Connor, Pringle, Ratner, Rukholm, Stewart, Thorne), 14 Al

DIDHAM, PAULA

Going the distance: Marathons and nursing, 28 Ju

DISEASE OUTBREAKS

Look to the web during outbreaks, 8 Mr
Pandemic performance panned and praised, 9 Ma

DOMESTIC VIOLENCE

Ballet raises awareness of domestic violence, 19 N

DONNER, GAIL

Landing a new job; getting support for continuing education (Wheeler), 30 Mr
When it's time to expand your circle (Wheeler), 38 S

DORAN, DIANE

Does nursing research have a future? (Bottorff, DiCenso, Estabrooks, Johnson, Johnston, Laschinger, McGillis Hall, Molzahn, Morse, Nelson, O'Brien-Pallas, O'Connor, Pringle, Ratner, Rukholm, Stewart, Thorne), 14 Al

DRACUNCULIASIS

African parasite nearly eradicated, 11 Al

DRINKING WATER

African parasite nearly eradicated, 11 Al

DRUG INDUSTRY

Canada trailing in coverage of leading-edge drugs, 6 Ja
Large-scale studies hide potential conflicts of interest, 9 Ma
Tablet splitting is inaccurate, possibly dangerous for patients, 8 Mr

DRUG RESISTANCE, MICROBIAL

Antibiotic resistance not so new, 7 N

DUNLOP, KAREN

A team designed to meet patients' needs, 36 Ja

DUNTON, DENISE

Bedside capnography: Better management of surgical patients with obstructive sleep apnea (Kjorven, Milo, Gerein), 24 N

DYSSOMNIAS

Less blue light, less sleep, 7 N

EDUCATION, MEDICAL

Keeping it real: Putting "patients" and medical students through their paces (Kelly), 26 Fe

EDUCATION, NURSING

Act II: A new career direction (McDonald), 22 Al
Back to basics: Building math competency in nursing students (Cummings), 22 S
Double the practice for the CRNE, 18 Al
Entry-to-practice programs at 10-year high, 11 Fe
The next step in virtual simulation, 8 Ju
Patient simulation or online presentation: Which is better?, 12 Mr
The perils of credential inflation (Servage), 52 S
Returning to her first love (McDonald), 26 Al
Students and international nursing shock (Jenkins, Balneaves, Lust), 26 S

Undergrads benefit from pilot project (Silversides), 20 Fe

EDUCATION, NURSING, CONTINUING

Journal clubs: A forum for discussion and professional development (Silversides), 18 Fe
Landing a new job; getting support for continuing education (Wheeler, Donner), 30 Mr
Things to consider when setting up your own club (Silversides), 22 Fe

EFFICIENCY

Technology a time saver for nurses, 9 Ja

EGGERTSON, LAURA

Fertility nurses: Giving Mother Nature a helping hand, 32 N
Health emergency put RN out of her depth, 23 Ja
Health literacy: More than just the three Rs, 18 Ja
A language barrier to health, 22 Ja
Navigating the system with a blindfold on, 20 Ja
Targeted: The impact of bullying, and what needs to be done to eliminate it, 16 Ju

ELDER ABUSE

Webinar tackles tough elder-abuse issues, 15 Ja

ELECTRONIC HEALTH RECORDS

EMR: A brave new world? (Alsaffar), 40 Ma
New eHealth agency for Saskatchewan, 7 Fe
Reflecting nurses' decision-making in EHRs, 20 Al

EL-MASRI, MAHER M.

The significance of *p* values, 8 Oc

EL SALVADOR

Workshop in Nicaragua tackles workplace violence, 18 S

EMERGENCY MEDICAL SERVICES

Better mattresses mean better care, 6 Oc
Canadians want better access to after-hours care, 9 Ja
A collaborative approach to fall prevention (Merrett, Thomas, Stephens, Moghabghab, Gruneir), 24 Oc
Enhancing geriatric care in the emergency department (Asomaning, Van Den Broek), 12 Oc
Improving emergency management of febrile neutropenia, 11 Ju
On the lookout for human trafficking, 24 Fe
Tackling wait times: Followup report, 19 Al
A team designed to meet patients' needs (Dunlop), 36 Ja
A young career in high gear (Silversides), 32 Mr

EMIGRATION AND IMMIGRATION

Groundbreaking guidelines for treatment of new Canadians, 6 Oc

EMPATHY

The power of empathy (Sealy), 30 Oc

ENVIRONMENTAL POLLUTION

Calculations: April 22 is Earth Day, 12 Al
Sharing the lessons of activism (Robinson), 44 Mr
Your government watchdog, 13 Ja

ESTABROOKS, CAROLE A.

Does nursing research have a future? (Bottorff, DiCenso, Doran, Johnson, Johnston, Laschinger, McGillis Hall, Molzahn, Morse, Nelson, O'Brien-Pallas, O'Connor, Pringle, Ratner, Rukholm, Stewart, Thorne), 14 Al

ETHICS, NURSING

"I think my colleague has a problem..." 24 Mr
Webinar tackles tough elder-abuse issues, 15 Ja

ETHIOPIA

Internship leads to "global" perspective, 14 Ju

ETHIOPIAN NURSES ASSOCIATION

Internship leads to "global" perspective, 14 Ju

EUROPE

Measles on the upswing across Europe, 9 Ju

FACIAL TRANSPLANTATION

Canadian docs to perform face and limb transplants, 6 Oc

FACULTY, NURSING

Entry-to-practice programs at 10-year high, 11 Fe

FERTILITY

Counting on the care of nurses; editorial (Brazeau), 2 N
Fertility nurses: Giving Mother Nature a helping hand (Eggertson), 32 N

FERTILIZATION IN VITRO

Fertility nurses: Giving Mother Nature a helping hand (Eggertson), 32 N

FINANCING, GOVERNMENT

Does nursing research have a future? (Bottorff, DiCenso, Doran, Estabrooks, Johnson, Johnston, Laschinger, McGillis Hall, Molzahn, Morse, Nelson, O'Brien-Pallas, O'Connor, Pringle, Ratner, Rukholm, Stewart, Thorne), 14 Al
Feds announce funding for MNCH program, 6 Ja
Getting to know you (Grey), 36 Al
More money to fight TB in Nunavut, 8 Mr

Confronting the negativity devil head on, 30 Ma
Workplace change: The good, the bad and the ugly, 28 Ja

GEREIN, LYNN

Bedside capnography: Better management of surgical patients with obstructive sleep apnea (Kjorven, Dunton, Milo), 24 N

GERIATRIC NURSING

A collaborative approach to fall prevention (Merrett, Thomas, Stephens, Moghabghab, Gruneir), 24 Oc
Enhancing geriatric care in the emergency department (Asomaning, Van Den Broek), 12 Oc
In it for the long term, 30 Ju
Teaming up: Responding to seniors in crisis using a multidisciplinary mental health crisis team (Hurst), 16 Oc

GESSELL, PAUL

Creating a lasting impression of a short life, 24 Ja

GLOBALIZATION

Globalization workshop's next stop is CARNA, 13 Fe

GOVERNMENT RELATIONS

Electing for change (Bard), 3 Ja

GREAT BRITAIN

Canada a leader in cancer survival rates, 7 Fe
Is self-regulation under threat? (Lahey), 7 Ma

GREY, DEBORAH

Getting to know you, 36 Al

GRIEF

Is it grief or a mental disorder?, 9 Ju
Life and loss in the Year of the Ox (Villeneuve), 14 Fe
When loss leads in new directions (Silversides), 34 Ju

GRUNEIR, MARILYN

A collaborative approach to fall prevention (Merrett, Thomas, Stephens, Mobhabghab), 24 Oc

GUIMOND-PLOURDE, RENÉE

Stress care: Turning failure into triumph, 16 Ja
Stress-management methods, 17 Ja

HARM REDUCTION

Let's not lose Insite (Bard), 3 Al
Nurses praise Insite ruling, 16 N

HEAD AND NECK NEOPLASMS

Smelling cancer on your breath, 9 Ju

HEALTHCARE INFORMATION FOR ALL BY 2015

HIFA2015: Working to prevent needless deaths, 6 Al

HEALTH CARE REFORM

Builders and stewards of better health and understanding (Shamian), 2 Ma
Collaborative power (Bard), 3 Ma
Health: We stand on guard for thee (Bard), 3 Ju
On a mission to listen, 14 S
Principled decisions (Shamian), 3 S

HEALTH COUNCIL OF CANADA

Canadians want better access to after-hours care, 9 Ja
Prescription drugs need better safety measures, 9 Ja

HEALTH HUMAN RESOURCES

Behind the latest workforce numbers, 6 Fe
Confronting the negativity devil head on (Fry), 30 Ma
More than 16,800 certified nurses, 19 S
NP data now featured in workforce profiles, 15 Mr
Nursing workforce focus of ICN forum, 18 N

HEALTH LITERACY

Health emergency put RN out of her depth (Eggertson), 23 Ja
Health literacy: More than just the three Rs (Eggertson), 18 Ja
A language barrier to health (Eggertson), 22 Ja
Navigating the system with a blindfold on (Eggertson), 20 Ja

HEALTH PROMOTION

Health promotion charter rings true after 25 years, 20 S
Nurses' role in health promotion in schools, 20 Al

HEALTH SERVICES ACCESSIBILITY

Access to health care a challenge for migrant workers, 9 Ju
Canada trailing in coverage of leading-edge drugs, 6 Ja
Canadians want better access to after-hours care, 9 Ja
HIFA2015: Working to prevent needless deaths, 6 Al
Poorer health for low-income coastal populations, 11 Al
Your government watchdog, 13 Ja

HEALTH SERVICES FOR THE AGED

Who gets your vote?, 20 Mr

HEALTH SERVICES RESEARCH

Health systems research: Good in theory, good in practice (Shamian), 2 Ja

HEALTH STATUS INDICATORS

What do those stats really mean?, 6 Al

HEART ARREST

Sudden cardiac arrest more likely in poorer neighbourhoods, 7 N

HILL, MARY E.

Is Baby-Friendly certification nurse friendly?, 11 N

HIP FRACTURES

"Bouncy" floors reduce injuries from falls, 11 Al
Hip fracture linked to early death, 11 Al

HISTORY OF NURSING

A day of reflection, 14 Ja
From the pages of *The Canadian Nurse*: Battles with bicycles (Dent), 40 N
With a R.C.A.M.C. casualty clearing station, 41 N

HIV/AIDS

Gamers help scientists, 7 N
Informed consent for circumcision, 9 Ju
Internship leads to "global" perspective, 14 Ju

HOME CARE SERVICES

Good business practices—Irene Martin: "A true family business", 42 N

HOMELESS PERSONS
